AN OPEN ACCESS JOURNAL COVERING NEW FINDINGS IN LAPAROSCOPIC SURGERY

Dear friends,

We just ended 2018. It was the first full year of Laparoscopic Surgery.

I'm very happy for having achieved essential goals. First of all, 72 manuscripts have been published. We had great participation from all world.

The illustrious international Editorial Board is now a family of 22 experts.

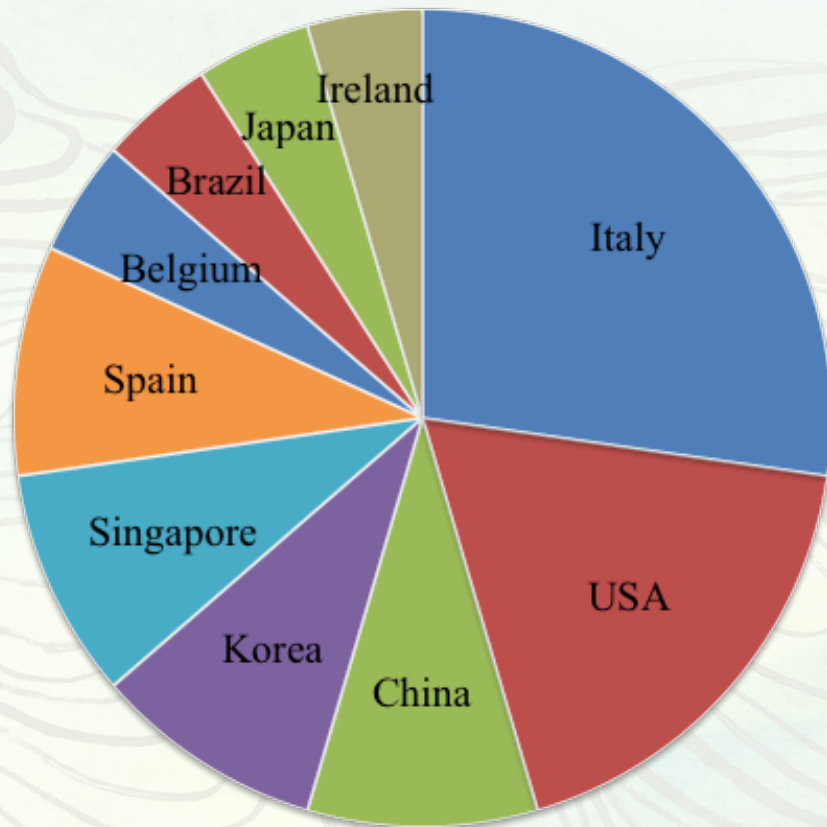

In 2019 I hope to have at least two focused issues and reach 100 published manuscript. Furthermore, we aim to expand and diversify to the type of articles and authors countries.

On behalf of the editorial team, I would like to express sincere appreciation for the enthusiastic and vigorous support and future contributions from all editorial board members, guest editors, authors, reviewers, and readers.

Sincerely,

Dr. Levi Sandri GB
